

## Theme of the Week: Resorative Justice (Forgiveness)

Dear Parents/Carers,

I have really enjoyed returning to work this week and your children have been very kind in welcoming me back. We have been running Open Mornings right through this week and students in Year 8 have acted as wonderful ambassadors for the school by touring our visitors around site. All of our prospective families have

commented on how wonderful the student tour guides were and described them as confident, articulate and very proud of their school. I am grateful to them all for their efforts this week. Mr Lovell took a group of Year 9 students out this week to support at an older people's club run by Bishop Hannington Church. All the students enjoyed their experience and again they acted as wonderful ambassadors for our community here at King's. It is so good to see all these community service initiatives returning post-covid. It is hard to believe that there is only a fortnight left before half term. We will, of course, continue to make the most of every day and of every opportunity to inspire, educate and support our students. Year 11 are increasingly looking ahead to their first set of mocks towards the end of November and it would be sensible for them to begin to think about the revision work they intend to undertake over half term. If they can get into good habits with revision now, the pressures of the summer exam season will be much more manageable for them. I wish you all a pleasant weekend.

*Mrs Price*

## Bromcom Student Access

Over the course of this week we have been supporting students who have struggled to access the Bromcom Student Portal to get logged on. If your child is still having problems logging on to the Student Portal, after support in school, the following troubleshooting tips may help:

1. Check that they are using the student portal/app (<https://vle.bromcomcloud.com/>), not the parent portal/app. If you are not certain, there is a link to the student portal from the school website homepage.
2. Check that they are entering the correct details in the login screen (School ID, Student Bromcom ID, the password they set up for Bromcom)

If your child is still struggling to access Bromcom after this, for example if they have lost their login details, please email [bromcomhelp@kingschoolhove.org.uk](mailto:bromcomhelp@kingschoolhove.org.uk). We will aim to respond to all emails within 48 hours (Monday-Friday).

*Any student who cannot access the student portal and has not had the chance to log on to Bromcom during school time may come to CS1 during tutor time on Monday 10<sup>th</sup> October or after school on Tuesday 11<sup>th</sup> October for support.*

A reminder that the second meeting of the Parent Adoption Working Group will take place on Tuesday 11<sup>th</sup> October from 6-8pm.

## Online safety

The inquest into the tragic death of Molly Russell was widely reported in the media last week, with many social media providers, professionals, parents and young people awaiting the verdict. Coroner Andrew Walker concluded Molly, from Harrow, died from an act of self-harm while suffering depression and the negative effects of online content. He said the images of self-harm and suicide she viewed "shouldn't have been available for a child to see". After the hearing finished on Friday, Molly's father Ian Russell said: "It's time to protect our innocent young people instead of allowing [social media] platforms to prioritise their profits by monetising the misery of children."

We would urge all parents to continue to have open conversations with their children regarding the content they are accessing online. If you or your child encounter any material whatsoever that you feel is harmful to them, please use this excellent website: <https://reportharmfulcontent.com/>

There are excellent explanations of the 8 different types of harmful content to look out for:

## Roedean Academy

Year 10 students visited Roedean this week as part of the Roedean Academy.

The afternoon commenced with an inspirational and very powerful speech from Baroness Floella Benjamin. Floella, led us through a journey of her life and her personal experiences as a child moving from the Caribbean to England; she also spoke about what Black

History Month means to her and why it is so imperative. Floella, also highlighted key themes such as resilience, self-love and having confidence in your abilities and demonstrated how young people can utilize these skills in everyday scenarios and circumstances at school and in later life.

Students then broke out into small seminar like groups to discuss these topics further. This also gave students the platform to be reflective and articulate their feelings and converse in what they took from this experience. This 'university like' session was also held with students from Roedean and other schools in Brighton and Hove. We were extremely proud of our students who represented King's School in such a mature and excellent manner, they demonstrated great enthusiasm and engagement throughout. We were even fortunate enough to end with a tour of Roedean School and their boarding houses!

*'My daughter came back buzzing and found Baroness Benjamin really inspiring!'*

*'She was so inspiring!'* – Roberto

*'I really enjoyed how passionately she told her story'. – Pipi*

*'It was such an inspiring experience'. – Jo*

*'The speech was very inspiring and I enjoyed hearing about her life and all the things she had achieved'. – Marla*

*'She was absolutely captivating! I really enjoyed her enthusiasm'. – Ting*

## Black History Month – Time for Change: Claudia Jones

Claudia Jones was a journalist and political activist who was exiled to the UK from America in 1955. Jones spent her life fighting against racial inequality and was a champion for women's rights.

In 1958, Jones founded the first commercial Black newspaper, the West Indian Gazette, which was an anti-racist publication which campaigned for social equality.

After the 1958 riots in Notting Hill, Jones helped to launch Notting Hill Carnival in celebration of West Indian culture and heritage. Notting Hill Carnival still takes place every year in London, and is the second largest street gathering in the world.

*'No peace can be obtained if any women, especially those who are oppressed and impoverished, are left out of the conversation.'* – Claudia Jones

## Cameo

This week we took a group of Year Nine students to help with a seniors' café at Bishop Hannington Church called CAMEO.

CAMEO stands for Come And Meet Each Other and is a group running at Bishop Hannington since 1982. It started to make contact with people in the community where they could come and chat over a cup of tea. Our students served refreshments, led a quiz, and shared a bit about themselves and King's School. It was wonderful to see them engage in conversation and help guide their table discussion on the theme of seasons.

## Attendance

Congratulations to Year 7 who achieved over 97% attendance on Tuesday this week. Try and hit that level every day next week!

## Optional Worship – Wednesday 12th October

We are very fortunate as a school to have links with a number of local churches. A team from St Peter's and St Leonard's will be leading an optional worship service during tutor time on Wednesday next week. This service is aimed at to encourage our Christian students in their faith and offer an opportunity for students who would like to find out more about Jesus to do so.

## PTA Events

The PTA are still accepting uniform donations and football boots. Both can be left at the drop off point in school reception. Football boots must be clean and bagged with the size written on the bag.

The PTA regularly accept donations of disposable cups, refreshments and packaging suitable for sweets. They are always looking for match funders, if you would like to offer this support please contact the PTA on [pta@kingsschoolhove.org.uk](mailto:pta@kingsschoolhove.org.uk).

Payments for PTA events can be made using the sum up link [here](#). Events can be paid for in advance, you will receive confirmation of booking within 5 working days via an email from the PTA. If you would like to buy uniform, please email the PTA for stock and only make payment after you have the items.

The PTA also run a school lottery, details of which can be found on the poster below. Your support really does make a big difference, over the last year just 32 supporters buying a £1.00 ticket has raised over £800. That has bought a visualiser for the Maths department and two table tennis tables for the PE department! Please contact the PTA for more details.
