good rest over half term and recharge their batteries ready for spring. I was privileged to watch two performances of 'Beauty and the Beast' this week. As ever, I am in awe of Mrs Grosvenor, Mrs Brennan and our wonderful team of arts teachers who manage to pull together a production on this scale every year. I was also so delighted to see so many of our talented students enjoying their time on stage or supporting the production backstage. They will have made memories for life and the friendships that come from these whole school productions are very special to see. I am grateful to all of you who bought tickets to make this experience possible for our students. I will be holding a celebration breakfast for all those involved in the production shortly after half term and I look forward to celebrating their achievements with them then.

Meanwhile I wish you all a very restful and enjoyable half term week.

Mrs Price

This Week's Theme: Is anyone in charge?

This week in our worship times we have been considering the question 'Is there anyone in charge?'. In our tutor times students have been considering worldly

Dear Parents/Carers,

Half term has arrived, and students are looking forward to a well-deserved break! It has been a very busy end to this half term, especially for those involved in the school production, and I do hope that everyone can have a

leaders and the qualities that make a leader successful and respected. Students also watched a video looking at the ultimate example of leadership in Jesus Christ. They considered what it means to be a 'servant leader'. They also watched a video clip of American preacher and church leader Tony Evans explaining how he views God as being in control and how we all fit into His overall plan. As ever, students also considered Bible verses on this theme, this week from Psalms, Proverbs and Mark's Gospel. Our assembly this week was a filmed assembly from Assistant Headteacher Mrs Vincent on the topic of Safer Internet Day which is marked worldwide on 7th February. Mrs Vincent's assembly asked students to consider their own internet use, as well as the wider mechanisms that exist to keep people safe online.

King's Sixth Form

Interviews for our Sixth Form places have begun and will continue through February. We would really love to encourage Year 11s to apply to be the first sixth form cohort at King's. We are confident that we will be able to offer them excellent, distinctive provision. We are still accepting applications so please do not hesitate to fill out a form.

- Be known
- Outstanding Pastoral Support
- Small class sizes
- Excellent teaching and learning
- Leadership opportunities
- Bespoke careers and UCAS advice

If you have any further questions, please contact Mrs Coles at sixthform@kingsschoolhove.org.uk. Every student who applies to the Sixth Form will receive an interview with Mrs Price and Mrs Coles, which will be a valuable experience.

Year 11 Mocks and Reports

Year 11 mocks will begin on Monday 20th February (the first Monday back after half term) and the timetable is

below. You will receive a report containing your child's second mock grades in April.

Targeted intervention will run over half term on 16th and 17th February for those who are invited. Sessions run from 9:30 – 12. The sessions that are running are:

- **16th February – Maths, Science, RP, PE and English**
- **17th February – Maths, Drama and Music**

If your child is invited to attend intervention, we strongly recommend they do attend as the purpose of these sessions is either to complete NEA (coursework) or to target gaps in their knowledge. Where students have been invited to more than session on the same day, please ask them to discuss with their teachers and then decide which session will be most useful. If you think your child should have been invited to a session but has not been then please contact the department directly using the contact us page on our website <https://www.kingsschoolhove.org.uk/contact-us>. Please note that some subjects will repeat through the year.

These sessions are not extra lessons. For most Year 11 students the best use of their time over half term is independent study using the techniques they have been taught. The most important factor in students doing well at GCSE is starting revision now and being organised and disciplined in keeping to a revision schedule. It is also important to have breaks and time to relax and recuperate.

The holiday intervention schedule for the rest of the year is:

Beauty and the Beast

Well done to the whole cast of **Beauty and the Beast** who put on three fantastic performances of the show this week. We are very proud of all the students' hard work on every part of the show, whether that is lighting, acting, playing instruments, helping backstage or costume making, they all did amazingly.

A full report on the show will run in the next newsletter.

Safer Internet Day

This year's Safer Internet Day took place on Tuesday 7th February. King's marked the 20th edition of the campaign through an assembly, led by Mrs Vincent. The focus of this assembly was to get students thinking about how they are responsible for their own internet use, as well as who is responsible for making the internet safe. We encouraged students to think about we can engage with the internet in a way that brings about their flourishing, an important aspect of our school vision. Our worship theme this week has been 'is

anyone in charge'? Students were able to explore the information around internet safety alongside this theme. King's serves our students to ensure that we share the very important message around responsibility around internet safety. To echo the campaigns very clear message, whether you are a young person, parent/carer, teacher or policy maker, everyone has a role to play in creating and maintaining a better online world.

Year 8 Netball

On Thursday 2nd February our wonderful Year 8 netball team played an equally as strong Blatchington Mill squad. The girls played multiple different positions to trial a range of playing combinations, which was fantastic to see. With 10 seconds to go we were drawing 7-7, however a last couple of seconds goal was scored by Lydia W, to finish off the game with a 8-7 win to King's. For this reason, our King's player of the match couldn't go to anyone else but Lydia! Well done to all of the girls who represented the school last week. We are

looking forward to more game - with hopefully some warmer afternoons!

Girls' Football

Whilst the Year 8 and Under 14 sides have not played since my last update, the Year 7s have.

Year 7 had their first real fixture, a cup game away at Dorothy Stringer. Due to the school production commitments, playing opportunities were available for others and a changed team was fielded.

Despite a huge effort from all the players, some great goalkeeping, defensive prowess, and a hat trick from Etta P it was not enough to keep us in the cup this year - we wish the players at Dorothy Stringer all the best as they progress through to the Semi-final.

Upcoming fixtures are;

- Year 7 - 21st Feb at Hove Park
- Year 8 - 3rd March at Patcham

Under 14s are through to the Semi-Final of the cup against either BACA or Varndean, the deadline for this match is early March so look out for match details shortly after the half-term break.

In addition, we have just attended the online launch of the Barclays Go Lead campaign, where student activators will embark on a training program to increase girls' involvement in sport through the medium of football. There will more on this over the coming weeks as we begin to build our campaign to inspire and motivate our student body.

I would like to thank everyone who has donated football boots to the school so far. Further donations are always gratefully received, therefore if you have any old football boots from a size 1 and up, any old shin pads or goalkeeper's gloves that are still functional but not worn anymore, please consider donating to King's.

Online safety talk for parents

We are delighted that our online safety partner Smoothwall will be offering a comprehensive online safety talk for parents at 6pm-6.30pm on Wednesday 22nd March. This is a free event and you will be able to join via Teams from the comfort of your own home. Ben McGrath will be covering all of the latest issues and trends to support you in keeping your child safe online. Our staff have previously received this training from Ben and found it incredibly useful for staying ahead of the game in what is an incredibly fast-moving environment. Please make a note of the event and we will send you the link closer to the date.

Alex R

Well done to Alex R (Year 9) who has been selected to represent Sussex Schools at the ESAA Cross Country Championships at Wollaton Park, Nottingham on Saturday 18th March 2023. The team is made up of eight runners selected from Years 8 and 9 across Sussex. Congratulations Alex!

Attendance

Wishing you all a restful holiday.
Looking forward to a half-term of
fantastic attendance after the break!

Historian of the Fortnight

Ruby has shown dedication to her History work in lessons and has also been going above and beyond outside of lesson by attending drop in sessions to complete her work and enhance her exam technique. Her dedication to improving her skills has not gone unnoticed and has made a difference to her understanding in lessons. Keep up the fantastic work Ruby.

All hail Empress Ruby!
