

Theme of the Week: Wisdom for Life – Do not worry – Matthew 6:25-34

**“THAT IS WHY I TELL YOU NOT TO WORRY ABOUT EVERYDAY LIFE--- ISN'T LIFE MORE THAN FOOD, AND YOUR BODY MORE THAN CLOTHING? LOOK AT THE BIRDS. THEY DON'T PLANT OR HARVEST OR STORE FOOD IN BARNs, FOR YOUR HEAVENLY FATHER FEEDS THEM. AND AREN'T YOU FAR MORE VALUABLE TO HIM THAN THEY ARE?**

**SEEK THE KINGDOM OF GOD ABOVE ALL ELSE, AND LIVE RIGHTEOUSLY, AND HE WILL GIVE YOU EVERYTHING YOU NEED.  
MATTHEW 6:25-26, 33**

Dear Parents/Carers,

It's wonderful to have the nice weather as we go into half term and I hope that you and your children can have a restorative and enjoyable week in the sunshine. Year 11 will, of course, want to continue their revision

programmes but it is important that they have some rest and downtime too. Thank you to everyone who is praying for this cohort as their exam series continues. Exam papers have been fair and straightforward so far and we pray for this to continue. Thank you to everyone who has already completed a parent/carer survey. We have had a good rate of return so far and we hope to receive some more responses over the half term break to get as comprehensive a picture of your views as possible. The survey can be found and completed online here: <https://www.surveymonkey.co.uk/r/WXX5X33> It will close at 9am on Monday 5<sup>th</sup> June. We will also be surveying students in the second half of this term, within the school day, and we look forward to receiving their views too. Have a lovely half term break.

Mrs Price

## Theme of the Week

This week we have been exploring a passage from Matthew's Gospel, Chapter 6, verses 25-34. It reads *“Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes?... seek first his kingdom and his righteousness, and all these things will be given to you as*

## Forthcoming Events

well. Therefore do not worry about tomorrow, for tomorrow will worry about itself." We have been exploring the issues these verses raise around worry and our management of anxiety with students in tutor times. Jesus is clear that we should try not to worry about material needs but focus instead on the most important things in life. We are reminded that we can always pray for what we need and it will be given to us, not always immediately and not always as we might expect but our real needs will be met. Worry is something that often particularly afflicts teenagers so it has been fantastic to open up the opportunity for conversations on this through the week. You might like to take the opportunity over half term to reflect with your children on what they worry about and how they handle anxiety when it arises.

## KS3 Home Learning Project – Speak Up and Speak Out!

Over the coming half term we are asking students in KS3 to complete a Home Learning Project on a topic that they care about. This project will take place alongside preparation for the end of year exams, between Friday 26<sup>th</sup> May and Wednesday 5<sup>th</sup> July. Students will complete a **minimum of three activities** across the duration of the project, related to their chosen area. They will then present their work back to their tutor group – in their chosen format – from Thursday 6<sup>th</sup> July. Please find the link to Mrs Vincent's explanation for students here: <https://vimeo.com/830252663/d6adf9e744?share=copy>

The information document in the video has been set on Bromcom for all students in Years 7, 8 and 9. ## Buddy Mentor Scheme: Calling all Current Year 8 Students

Think back to the time when you were coming to the end of Year 6, about to leave primary school: all the questions you had about starting at King's; your worries and concerns; the things you were excited about. ***The new Year 7 students need YOU!***

Are you friendly, supportive and willing to listen to younger students? Are you 100% reliable? Have you got good leadership and organisational skills? Could you be a good role model for others? If the answer to these questions is "Yes", we want you to complete our online application form and apply to be a Buddy Mentor. For more information about the role and to apply, click on the link (also posted on Bromcom) <https://forms.office.com/e/FSzQsvUkzT> and submit your application by Tuesday 6<sup>th</sup> June.

If you have any questions about being a Buddy Mentor, speak to Mrs Vincent [k.vincent@kingsschoolhove.org.uk](mailto:k.vincent@kingsschoolhove.org.uk).

## Mr Spear and Mr Baker

I would like to say a huge thank you to Duncan Spear and Richard Baker for running the Rock Band and Orchestra for the past 9 years! They have been fantastic musical directors and their ensembles have been such an asset to our King's School Music department.

Both ensembles have performed at every King's School Showcase, and I have always known the standard will be high and the performances terrific. It has been wonderful to see a huge range of students develop their musical skills under the leadership of both of these brilliant teachers.

Richard has also supported us every year with our Carol Concert, arranging music for the orchestra and conducting them as they accompany our carols as part of the service.

Many, many thanks from Mrs Brennan and Ms Woods

From September the Orchestra will now be run by Mrs Brennan and the Rock Band by Ms Woods, rehearsal days to be confirmed.

*Mrs Brennan*

## Historian of the Fortnight

Finlay is our Historian of the Fortnight due to his speed-up perseverance and focus over the last month. His ability to regurgitate key dates and information was utilised by his class in their recent Crime exam. I never thought Pope Innocent III would come up on the exam but Finlay was right! Finlay has attended all intervention, worked incredibly hard, especially on his creation of a 'Crimeline' which students photographed.

Finlay's desperation to become historian of the fortnight and his tenacious attitude has seen him stand out, not only by myself but his peers.

Long live the king!

Well done Finlay!

place overall having only lost one game to Blatchington Mill who went on to win the tournament.

## Year 7 RP

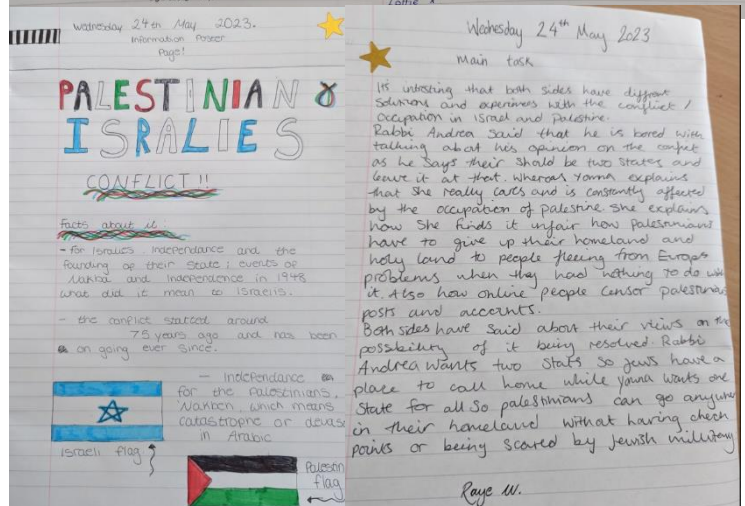

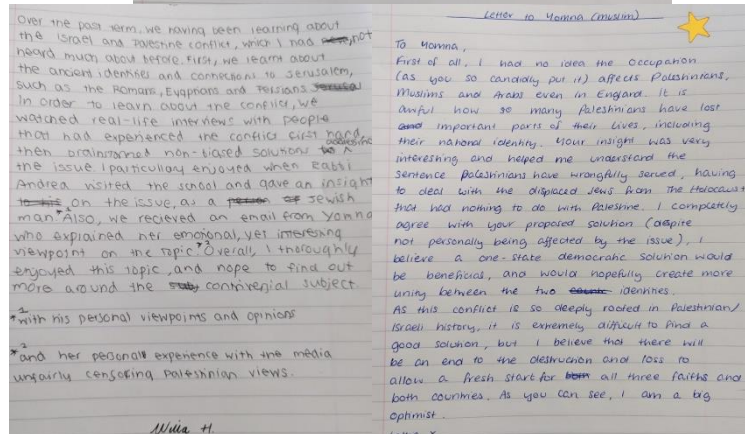

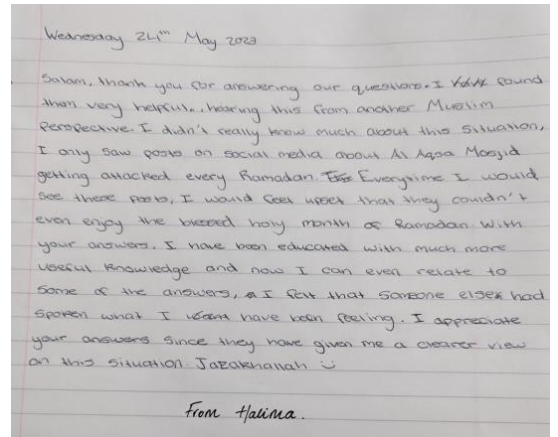

This half term Year 9 have been learning about the conflict in Israel and Palestine in RP. Pupils have navigated their way through the history of the region, the issues facing both sides, and personal testimonies from Israeli's and Palestinians to try and find a solution, and not pick a side. They concluded their studies by attending a talk with Rabbi Andrea from Brighton and Hove Reform Synagogue and hearing a letter from Yomna Helmy, who works for Cambridge University. Here is some work they created during a reflection lesson on their studies.

## King's Community Games

On Tuesday 23rd May we held our second 'Community Games' sports event for some of our local primary schools. On this occasion, Aldrington C of E Primary School and The Bilingual School took part in a highly competitive and exceptionally high standard rounders game, hosted by some of our wonderful student leaders. It was an opportunity for King's to welcome our primary school colleagues and new Year 7 students, showcase our beautiful school and most importantly for our current students to showcase what King's is about! A big thank you to the following Year 7 and 8 students for volunteering at this event: Felix B, Joshi H, Herbie H, Samuel V, Riley C, Amelia J, Tearna W, Nia J, Connie B and Isla E.

## Interschool Rounders Tournament

Last Tuesday afternoon, we had a small team of Year 9s compete in an Interschool Rounders Tournament with four local schools, held at Patcham High School. On a lovely afternoon for rounders, our students represented our school extremely well in what was a fun and relaxed afternoon for all involved. Our King's students performed particularly well, claiming second

## Chat Health

All pupils in Brighton and Hove have the option of contacting a medical professional for advice using the NHS ChatHealth messaging service. It's safe and easy for your child to speak to a qualified health professional by contacting 07480 635423. They can just send a message and don't have to give their name. You can find out more about ChatHealth at their website: <https://chathealth.nhs.uk/>

### Here is how the service works:

Need to talk?

We'll confirm receipt of your message immediately then you'll speak to a health professional who will listen, ask questions and support you. You only have to share what you feel comfortable with and you can ask questions too.

Most teams reply during normal office hours. If you message out-of-hours they'll reply when they're next in. You should always hear back from someone within 24 working hours at most.

If you need help in the meantime contact your doctor, visit a NHS walk-in centre or call NHS 111. If it is an emergency, dial 999 or visit A&E.

Your network provider will charge your usual rate for messages you send.
